

TRACI TRAFFAS

Traci began her dance training at the young age of four at CH Dance Productions in Kiowa, KS. During her time training at the studio, she became part of the competition team allowing her to attend competitions and conventions where she received many awards and scholarships. In addition to dancing competitively, Traci also assisted in many various dance classes and developed a love for teaching.

While attending Benedictine College for four years, Traci was a 4-year veteran member of the Raven Dance Team and was an instructor for the Raven School of Dance, a community dance school on the Benedictine College Campus. After graduating, with a degree in Mass Communications, Traci kept her passion for teaching and began teaching classes at various studios and schools in Kansas, Missouri and Oklahoma.

Traci is excited to be re-joining the staff at Midwest Dance Mechanix in hopes to inspire younger generations, in dance, and in life.
