## advanced jazz

### and LEAPS & TURNS, LYRICAL & MUSIC THEATRE

Add a Leaps & Turns class & Lyrical class to maximize your jazz training!

FALL 2023

Our Advanced Curriculum programming requires instructor placement in all levels and is designed to challenge students who are committed to serious dance training. Students will receive individual feedback and class evaluations each semester and will have opportunities to perform in the both the Holiday Showcase (December) and Spring Recital (May), However, most Advanced classes are "technique only" and do not perform in these performances. All Advanced classes require placement by an instructor.
