

JENNY RACKLEY, Co-Costume Manager & Front Desk Assistant

Jenny has always had a heart for children. After graduation from Belhaven University with a degree in Elementary Education, she moved to Florida to teach. While pursuing further education in St. Louis, she met her husband Tim. They have been married for 27 years. When their oldest was born, Jenny became a stay-at-home mom and soon began homeschooling her four children (Taylor 22, Rebecca 19, James 18, and Kate 16).

With two children in college and two nearing high school graduation, Jenny now spends more time outside the home wearing multiple hats, one of which is Costume Support Staff at MDM, where her daughter, Kate, has danced for the past eight years. Being in this supportive role enables Jenny to use her love of organizing while supporting Kate's passion and love for dance. While working mainly behind the scenes, you will find Jenny sorting and organizing hundreds of costumes that are distributed annually at MDM and you may occasionally see her at the front desk helping out where needed from time to time.

Her other "joys" are being a pastor's wife, attending women's Bible study at her church, cooking, teaching kids' summer cooking camps, adding her sweet daughter in law, Aye, to the family, and her adorable goldendoodle, Hamilton.

She is thrilled to be a part of the MDM Team to support Miss Jana's vision, love of the students, and desire to see each one thrive as an individual.
