

KYRA MANDRIGUES, Instructor

Kyra Mandrigues began her dance training at the young age of 3 and has not stopped since! She received the majority of her technical training at Midwest Dance Mechanix where she was a member of the Competition Team and traveled all over the Midwest competing for ten years.

During her time competing, her talent caught the eye of Kim McSwain who awarded her consecutive scholarships to train with her through her Changing Lives programming.

Kyra was honored to begin instructor training under the direction of Amy Bertrand-Faimon and Chad Vaught in the Spring of 2020.

She officially joined the staff of Midwest Dance Mechanix in the Fall of 2020 and is thrilled to share her passion for dance with the students of MDM which she considers her "home". When she is not dancing or teaching, she is studying as she pursues her Associate Degree in Dance while on a Vocal Music Scholarship at Butler Community College.
