Dancers ages 9 - 12 use a progressive curriculum in all genres designed to teach proper technique and dance fundamentals in a fun and nurturing environment.

Dancers have performance opportunities in the Holiday Showcase (December) and Spring Recital (May) and will receive individual feedback each semester through the use of curriculum progress sheets.

Intro classes are recommended for dancers with no dance experience. Free trial/placement classes are available for all other levels.

*does not perform in Holiday Showcase **Requires placement class
