

listen up! IT'S THE IMPORTANT STUFF!

We distribute a monthly newsletter at the beginning of each month that is full of important information related to studio programming and opportunities. These newsletters are also kept on our website for ongoing reference. We also use email, SMS messaging and social media platforms to keep our dancers and parents up to date on an ongoing basis.

We have extensive Covid protocols in place that can be reviewed at www.mdmathome.com/covid-19. We require all dancers to be 48 hours fever, vomit, and symptom free of **ALL** illness before coming to the studio for classes or rehearsals. If your dancer is ill, please email **office@dancemechanix.biz** to notify us and we will be happy to help you schedule a make up class.

Tuition is posted on the first of the month and is due no later than the tenth of the month. We accept payment by cash, check or credit/debit card. You can conveniently pay online through your Portal or if you would like even more convenience, we have an AutoPay option as well. Payments made by cash or check can be placed in a drop box by the office door. Late payments will incur a \$10 non-refundable late fee.

We ask dancers to keep their belongings with them and use the storage cubbies in the studio classrooms to store their belongings during class. If something ends up missing, we have a Lost & Found bucket that is located in the lobby of Building 2 (west building). We typically donate unclaimed Lost & Found items every couple of months, so be sure to check it often!

zoom

ALL ACCESS ZOOM

One of the silver linings of the Covid pandemic is that it allowed us to learn to use technology in new and efficient ways! We are proud to stream 100% of our classes through the ZOOM platform at www.mdmathome.com

This platform allows our dancers to take class from home whenever they are ill or quarantined. Since our lobbies are currently closed for observation, It also allows parents to observe select classes from any electronic device. Please allow the instructor 5 - 10 minutes to get the ZOOM meeting opened at the beginning of each class period.
